

MITCHELL PRUITT

GRAPHIC DESIGN & PHOTOGRAPHY

ABOUT ME

- 2018 graduate from the University of Oregon with a B.S. in Art & Technology seeking to use my creativity and knowledge to meet your graphic design needs, including logo design, data communication, wayfinding, and data visualization.
- Team player with relevant internship and freelance experience ready to apply my skills with Illustrator, Photoshop, InDesign, and Premier Pro to provide creative digital design solutions.

WORK / EXPERIENCE

Freelance Graphic Design ... Currently

- Working with customers, creating designs to meet a variety of design needs such as logos, promotional material, wayfinding, and typography

Study Abroad in Greece ... Summer 2018

- Expanding knowledge, insight, and inspiration

Insite Graphix : Graphic Design ... Summer 2017

- Created graphic designs for logos, brochure layouts, business cards, posters, signs, and vehicle wraps for cars, company vans, and buses. Gained experience in various types of printing, plotting, and wrapping vehicles
- Provided customer delight by generating a quality product while being friendly, efficient, and cost-effective

Patio Heaven: Freelance Graphic Designer ... Fall 2016

- Updated 200-page company product catalog. Worked independently to perform logo updates, photo touch-up, and final layout design. Completed this 4 month job in 3 months while attending college with a full class load and receiving a 4.0 gpa

Linespace: Graphic Design Intern ... Summer 2016

- Worked alongside partners on logo designs, the new USC donor wall and campus signage, wayfinding for the Town and Country Resort in San Diego, CA, and designing the layout of an interactive trade show exhibit booth
- Demonstrated team work and collaboration as well as time management, and learned first-hand the importance of communication and customer satisfaction
